The ABC's of Christianity

Everyone learns their ABC's from an early age. Similarly, the ABC's are a good way to learn the teachings of the Christian faith.

Third Presbyterian Church will embark on a **2-year Bible Reading program** to get to know God's word and respond more deeply in our calling to follow our Lord Jesus. For the next 2 years, each month will have a different letter of the alphabet assigned to it.

- Each week will have a designated theme based on that month's assigned letter. Each day of each week will have 2 Bible readings on that theme.
- The sermon for each Sunday will be from one of the Bible readings from that week and the subject to be preached will be the theme for the week.

The goal is that every Christian will have the opportunity to grow in their Christian faith and seek to become more like our Lord Jesus Christ in how we live, serve and love others.

According to indy100.com (2015), the top 8 things people worry about: 8. Feelings of general unhappiness 7. My appearance 6. Job security 5. Credit card debts 4. My diet 3. Low energy 2. Future 1. Getting old

To stop worrying, remember the walnut! *Imagine a small jar with a large walnut surrounded by small grains of rice. If you emptied the jar and put the rice back in 1st and then tried to add the walnut, it would be impossible to put it back in. But if you put the walnut in first and then added the rice around it, it would fit just fine.*

The same is true for God's place in our lives. If you continually worry about life without reference to God & then as an afterthought try to fit God in, it just won't work. But, if you put God into your life first and then add the big and little things of daily life, everything will work out just fine.
